Advisory Services Offered Through Commonwealth Financial Network, a Registered Investment Adviser

*The Gulf Coast Business Review 40 Under 40 List recognizes young leaders who have distinguished themselves in their professions and communities through economic, civic and charitable contributions. This award is not specific to financial services and does not imply an endorsement, recommendation, or otherwise reflect the performance of the advisor or any account.

**The 2018 ranking of Forbes' Top 1,000 Next Generation Wealth Advisors(1) recognizes advisors born in 1980 or later with a minimum of four years of experience. Advisors were rated based on a proprietary algorithm of qualitative and quantitative criteria: assets under management, revenues generated for their firms, client retention, industry experience, credentials, and compliance records. SHOOK Research also employs an opinion-based weighting system that prioritizes its preferred "best practices," which include business models, activities, processes, and structure. Overall, 5,832 advisors were considered, and 1,000 (17 percent of candidates) were recognized. 1) This recognition and the due-diligence process conducted are not indicative of the advisor's future performance. Your experience may vary.

You are encouraged to conduct your own research to determine if the advisor is right for you.

(2) Portfolio performance is not a criterion due to varying client objectives and lack of audited data. SHOOK does not receive a fee in exchange for rankings
